

Dr. Jayanth Kumar .V. graduated from Saveetha Dental College in the year 2007. He completed his masters from Meenakshi Ammal Dental College in the year 2013 as a University topper. He is currently working as Reader in Oral Medicine and Radiology department. He has numerous awards and publications to his credit and he is currently pursuing his PhD as a part time scholar with Saveetha University. His active research areas of interest are immunology of mucosal lesions and CBCT imaging.

ABOUT THE LECTURE

The novel Coronavirus-19 has established a new normal in our day to day lives. The Dental profession is no exception to this surging wave and as frontline workers we have to face the brunt of the new normal. This lecture would touch upon the potential difficulties being faced by patients with Oral lesions in getting their treatments done, the new normal being followed and the role of the Oral Physician during these COVID times.
